

Administrative Board Representation

Contacts

Thomas B. Leyhane, 732-545-4717, tleyhane@hoaglandlongo.com

Our firm has decades of experience in the representation of medical providers before professional boards including the Board of Medical Examiners, the Provider Reimbursement Review Board and Medical Executive Boards. Years of defending medical professionals have produced a unique perspective at our firm, a deep understanding of not just the details of a claim but rather the depth of emotion that our clients have because a claim is made. That understanding powers an excellent and renowned defense team on behalf of our medical providers.
